### ABOUT

I started this blog in April 2017 as a creative outlet for me to express my love for all things food, eating and cooking. I am actually A Hungry Blonde, a fitness fanatic with a passion for leading a healthy active lifestyle combined with a taste of the finer things in life. ### ■ WEBSITE STATISTICS

I try to showcase on a regular basis healthy easy-to-make everyday recipes but I like to throw in an indulging dessert every so often. My aim is also to support local and international brands alike as well as local, new restaurants, cafés and bars. There is nothing I love more than meeting and being inspired by World-class Chefs and learning from them, I work on projects which inspire me and I want to provide added value for my followers but in a genuine, authentic and creative way!!
